

## Appendix A. Letter of consent from building or facility owner/ manager

Name of building/ facility owner or manager providing consent	
Street address of building or facility	
Name of applicant organisation	
Name of system(s) being installed or replaced	
Name of witness to this letter of consent	

I am the authorised building or facility owner/representative of the above building/facility.

This letter confirms my support for the grant application from the above mentioned applicant organisation who occupies the building/facility and is seeking financial assistance under the Powering Communities Program to install new energy efficient equipment at the building.

I endorse the grant application from this applicant organisation for the installation of the system described above being installed or replaced.

I note that the applicant organisation will enter into a grant agreement with the Commonwealth Government in relation to this grant.

I acknowledge that, as the building/facility owner/manager, I am responsible for obtaining advice on, and being satisfied as to, the suitability of the energy efficient or solar generation/storage system for the building.

I agree to work with the applicant organisation to manage the installation of the system identified according to product specifications. I acknowledge that I will take on all rights and responsibilities for the ownership and ongoing maintenance, including costs and insurance obligations of the assets, including the system, installed.
